III. General professional experience:

Since 1967 I have been engaged almost exclusively in litigating and/or arbitrating matters involving both ocean and inland transportation losses, and advising on maritime matters, including some ship financing. This activity includes related needs such as international letter of credit transactions and insurance, particularly marine insurance.

IV. General pertinent experience:

I am presently a mediator for court annexed mediation in the SDNY and NY State Supreme Court and a mediator, neutral evaluator and arbitrator for the EDNY. I have, since 1994 mediated approximately 21 cases and acted as arbitrator in two arbitrations. I am also the co-author of the revised Rules of Mediation published by the Maritime Law Association (1996).

V. Mediation training:

As part of my acceptance to the Southern District Mediation I participated in the 2 day, 12 hr. training course given by the Center for Public Resources.

VI. Pertinent bankruptcy training:

I have been attorney for various creditors in various bankruptcy proceedings.

VII. General pertinent business or legal experience:

Fluent in German; good working knowledge of the "paper trail" of international transactions.
